

## MEAL SELECTION

The convention Planning Committee realizes that the meal prices are higher than desired. (All prices include all taxes and gratuities.) The sale of food and drink is what pays for the use of the hotel convention facilities.

The vegetarian meal choices are not on the Registration Form as we have to coordinate with the hotel. If you are a vegetarian (or would prefer the vegetarian selection), please mark vegetarian on the Registration Form. For other dietary needs call Michael S. Ferri at (360) 653-2342.
